The Inspector General will not disclose the identity of a person who provides such information without that person's permission, unless the Inspector General determines that disclosure is unavoidable during the course of investigation. NASA employees are protected by law from reprisal for making complaints or disclosing information to the Inspector General. **FEDERAL EMPLOYEE HEALTH BENEFITS FOR MILITARY RETIREES:** CHAMPUS coverage for military retirees is automatically transferred from CHAMPUS to Medicare coverage upon attaining the Medicare eligibility, at age 65. Employees have 31 days from the date of loss of CHAMPUS to enroll in a Federal Employees Health Benefit (FEHB) plan. Military retirees who are thinking about retiring from civilian service before reaching Medicare eligibility are reminded: to have FEHB coverage as retiree, an employee must be enrolled at the time of retirement; to insure coverage, they should enroll in an FEHB plan that takes effect before the retirement date elected. To keep FEHB after retirement, employees must be enrolled for at least 5 years; and coverage under CHAMPUS counts towards eligibility to carry FEHB into retirement. **YEAR-END PROCESSING OF PURCHASE REQUISITIONS (PRs) CONTAINING EXPIRING FUNDS** All PRs citing appropriated funds that expire on September 30, 2004, must be processed through NASA's financial system (SAP/R3) in sufficient time to route to the Procurement Office on or before the below dates. This will increase the likelihood of obligation prior to expiration of funds on September 30, 2004. As a result, KSC's CFO and Procurement Officer have jointly established the following cut-off dates for receipt of PRs containing expiring funds: June 30, 2004 for PRs with a total estimate over \$25,000 July 31, 2004 for PRs with a total estimate equal to or less than \$25,000 Make sure the PR Header Text is annotated to reflect "Expiring Funds." If funding status is unknown, the final GG approver will review to determine if funds are expiring and will annotate the PR prior to routing to Procurement. GG will also notify OP periodically of all open, unobligated PR line items that contain expiring funds. Any PRs citing expiring funds that are generated after the applicable cut-off date must be cleared off-line with an approving Contracting Officer prior to entry in SAP. See the job aid at <http://www-op.ksc.nasa.gov/ifmp/JA.htm> for the appropriate approving Contracting Officer for your directorate. Enter the Contracting Officer's name in the PR Header Text and his associated purchasing group (PGrp) in the proper field when creating the PR in SAP. Requisitioners are advised that PRs with non-expiring funds received after the above cut-off dates may be held until after September 30, 2004, to permit priority treatment of those PRs containing expiring funding. Points of Contact: Finance, GG-B-C Debbie Hurlburt, 867-9438 Procurement, OP-AM Sean D. Howe, 867-7358 Your support is needed to make this fiscal year-end as smooth as possible (OP-AM)

**KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM: Cancer Prevention July 2004**

The month of July is dedicated to cancer prevention. Scientific evidence suggests that about one-third of the 563,700 cancer deaths in the United States that are expected to occur in 2004 will be related to improper nutrition, physical inactivity, being overweight or obese, and other modifiable lifestyle factors, and thus could have been prevented. Moreover, many of the more than 1 million skin cancers that are expected to be diagnosed in 2004 could have been prevented by protection from the sun's rays.

This month's information packet contains important information about cancer significance, common types of cancers, cancer preventive behaviors, and types of cancer screening tests. The packet is available at the following link:

<http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/occucontent/CancerPrev-July2004.htm>

Hardcopies of the packet will also be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414.
